D.O.No.C.L.O.32/42-43. Office of the Deputy Commissioner,
Kolar District,
Dated, Kolar the 3rd May 1943.

Subject:- Compensation - lands taken up by the Military for their occupation in Kolar District.

Dear Sir,

In forwarding herewith a copy of letter addressed to the Revenue Commissioner and Civil Liaison Officer, on the above subject, I write to state that the Award Bills for a total sum of Rs.48,060-14-0 in respect of the crop-compensation payable towards the lands taken up by the Military for their camping grounds near Bethamangala and construction of Aerodrome near Kolar are pending with the Head Quarter, 160. L. of C. Sub Area, Bangalore, since 14th February 1943 and they are to be cashed after their acceptance as per revised procedure sanctioned. The owners of lands concerned have not been compensated so far though their lands have been occupied by the Military long back in the month of August 1942. As the ryots have been doubly hit, first by being prevented from raising crops of bare necessity out of their lands and secondly by being compelled to purchase their food grains outside and in addition to find money to pay up their land Revenue dues, they have been frequently pressing for immediate relief in view of these hard times. They have readily placed their lands at the disposal of the Military on the assurance given by us that their claims for relief would be met early.

I am anxious that claims of ryots may be settled without any further delay and I request you to be good enough to place the above facts before Government, with a view to find a way for an early settlement.

CHIEF SECRETARY 15 MAY 1943 GOVT. OF MYSORE.

Yours sincerely,

V. Vedavyasacharya, Esq., B.A.,
Chief Secretary to Government of Mysore,,

D.C.letter No.C.L.O.32/42-3 dated 25-4-43 from the Deputy Commissioner, Kolar District, to the Revenue Commissioner & Civil Liaison Officer, Bangalore.

Subject:- Compensation - Lands taken up by the Military for their occupation in Kolar District.

In continuation of my previous letter of even No. dated 3-2-43 and the subsequent reminders on the above subject, I write to state that the award Bills for a total sum of Rs.48060-14-0 in respect of the lands taken up for Military camps near Bethamangala and for Aerodrome works near Kolar, are long pending with the Military and the owners of lands have not been compensated so far. The owners concerned have been repeatedly pressing for payment, by representing their inconveniences to meet their essential requirements as they could not get the crop compensation to go in for commodities of daily need in the harvest season. The collection season has further made them to seek immediate relief. They have readily placed their lands at the disposal of the Military or the assurance given by us that their claims for relief would be as readily discharged and the award Bills pending with the military since February have not yet been received after acceptance.

Any further delay will make the ryots to lose all confidence in us and is liable to create suspicion in their minds about the grant of relief.

I therefore request you kindly move the Military Authorities to return the bills immediately after their acceptance so as to enable the Civil Officer, Kolar District to encash them and make payments to the needy agriculturists.

A line in reply as to the action taken in this behalf may kindly be favoured early.
